EISNERAMPER

Large enterprises, privately owned companies and high net worth individuals face near- and far-term accounting issues. They turn to EisnerAmper for comprehensive audit, accounting, advisory, consulting, and tax services – as well as smart, analytical insight delivered in an approachable style.

EisnerAmper LLP is one of the largest accounting firms in the U.S., with nearly 1,500 employees and 180 partners across the country. We combine responsiveness with a long-range perspective; to help clients meet the pressing issues they face today, and position them for success tomorrow.

Our clients are enterprises as diverse as sophisticated financial institutions and start-ups, global public firms and middle-market companies; as well as high net worth individuals, family offices, not-for-profit organizations, and entrepreneurial ventures across a variety of industries. We are also engaged by the attorneys, financial professionals, bankers and investors who serve these clients.

With over 15 years of experience in internal audit, forensic accounting, litigation support, compliance and advisory services, David Landau & Associates, LLC is not your typical firm.

While others may deliver a “one size fits all” approach to clients, DLA prides itself on offering innovative and scalable solutions that exceed expectations. We credit our outstanding client retention rate to our highly experienced leadership team, our unique cross-functional approach and our high value to fee ratio.

Founded in 2001, DLA is led by former Big Four professionals and managers, forensic experts and corporate executives. We have worked with over 200 public and private companies in a wide-variety of industries. With a leadership team that averages over 25 years of experience and a staff that averages at least 14, DLA fields an exceptional team of specialists that can tackle a wide-range of engagements with the passion and confidence that you expect from a top-tier firm.
